

8 August, 2020

Dear Christ Church Congregation,

From the Wardens and Vestry of Christ Church Parish:

Father Matt, rector of Christ Church since September 2018, informed the Wardens and Vestry on Aug. 6 that at his initiative, he has accepted a call to Trinity Episcopal Church in Bloomington, Indiana, in the United States.

His last Sunday as our rector will be Aug. 16. He plans to depart by the end of this month. We wish him well in his continuing journey.

Our services remain “virtual” because of the Coronavirus pandemic. For now, they will continue under the able direction of Mother Susan Dennen de Rodríguez, with the assistance of Fr. Germán Páez and other priests of the Church as we have done during past transitions. As ever, we rely on the overall guidance of our Bishop, the Rt. Rev. Carlos Touché Porter. Planning continues for how and when we may safely resume our worship and fellowship in person.

The Wardens and Vestry as soon as practicably possible will name a committee to begin the search, with the input of all, for the rector to lead us into the next phase of our enduring spiritual life together.

Vestry members will respond to questions you may have at vestry.christchurchmx@gmail.com+

We trust and pray that God will continue to guide our church community forward, as He surely has from generation to generation for more than a century and a half. Amen.
