

Update to Our Community

Christ Church is now on Instagram and Twitter!

Our first communications on those platforms went out last weekend.

On Instagram, we're @christchurchmexico, and on Twitter, it's @ChristMexico (.)

Share the good news, and help bring new worshippers to us.

Also, start thinking about what you can, and will, pledge to support the church and its outreach in 2021. Our annual stewardship campaign will begin soon.

Please also review where you are in fulfilling your pledge commitment for this year.

With the ongoing COVID-19 crisis, our income has been reduced for more than our expenses to maintain our facilities, staff, and outreach.

There's a "Donation" tab on our Web page, www.christchurch.mx (.)

We need whatever help you can give now and in the future, so that Christ Church can keep being the Christ Church you know and love.
