

Update to Our Community

New Web site planned and Harvest Sunday

Your parish Vestry and other volunteers continue to seek new and better ways to keep us connected.

Work is under way on the design and implementation of a new parish Web site that will aim to be easier to use and more informative.

This is in addition to our forays announced last week onto new social media platforms for us: On Instagram, we're @christchurchmexico, and on Twitter, it's @ChristMexico (.)

These efforts have taken on greater importance as the Covid pandemic continues to prevent the resumption of our worshipping together in person.

Similarly, Harvest Sunday, two Sundays from now on October 25, presents a special opportunity this year for us to continue our outreach to Casa Hogar La Divina Providencia.

Please drop off or have delivered to the church your gifts of non-perishable foodstuffs and other basic needs. Needed items are listed below.

The orphanage here cares for about 200 children and adults, many with special needs because they have a disability or were abandoned.

For your convenience if you're arranging for a delivery, the church address is:

Montes Escandinavos 405
Col. Lomas de Chapultepec
11000 México, D.F.

Tel: 55 5202 0949 (.)

Folks from La Divina Providencia will pick up.

In other good news, our sexton, Lorenzo Salgado, continues to improve in the wake of his heart attack on Sept. 27. He went home on Friday. The doctor recommended complete rest, and no visitors.

Here's what they need at La Divina Providencia; nothing frozen or perishable*, please:
